HKIUD + THB Workshop on "Sensitive" Design for Transport Facilities

Infrastructure and transport facilities are important components for good urban design and need to be sensitively designed to be pedestrian friendly for the creation of a walkable and livable city. Together with the Transport and Housing Bureau, the Hong Kong Institute of Urban Design organized a workshop on "Sensitive" Design for Transport Facilities on 8 June 2013.

Welcome remarks by Prof Bernard Lim, President of HKIUD and Opening remarks by Prof. Anthony Cheung, Secretary for Transport and Housing

Briefing on the background information of the cases in Yuen Long, Wanchai and Mei Foo.

Group Discussion
