

香港城市設計學會
Hong Kong Institute of Urban Design

Research and Education Committee (REC)

Term of Reference

1. Internationalization of Urban Designer accreditation by HKIUD.
2. To review the prospect of accreditation of non Urban Design Postgraduate courses.
3. To raise the understanding of the public towards the urban design and the profile of the HKIUD.
4. To conduct urban design related research to enrich members' local and international urban design knowledge.
5. REC prepares and administers the Institute's Continuing Professional Development (CPD) policy.
6. To formulate CPD policy and to promote urban design related CPD programmes.
7. To assist student members, graduate members and potential members in gathering further knowledge to acquire HKIUD full membership.
8. To promote good urban design practice through research and education
