

LECTURES + DESIGN CHARRETTE

CLIMATE CHANGE URBAN ENVIRONMENT, HEALTHY URBAN LIVING

13 April 2019 (Sat), 9am – 5.30pm
Exhibition Zone F, An Integrated Teaching Building,
Chinese University of Hong Kong

What are the coming issues urban dwellers is going to face in the future? Come and learn about them. Can you visualise a design to address this future? Come and enlighten us. Can you articulate a theory/framework to guide our next steps? Come and discuss with us.

Free of charge.

6 CPD hours for HKIUD,
HKIA, HKGBC members

Register Now!

Deadline: 4 Apr 2019
