**HKIUD New website**

We are pleased to announce that our newly construction website: [www.hkiud.org](http://www.hkiud.org) is ready. Members now have the opportunity to submit topical comment pieces, publications, lectures, media or presentations that discuss Hong Kong and GBA urban design issues under the section 'Hong Kong Local'.

Researchers and educationalists are invited to contribute academic papers to the new HKIUD online Journal 'Urbanie & Urbanus'

We shall continue to develop content and coverage over the next years in order to make the portal the "go-to" site covering urban design issues in the region.
